

Climate Change & Health

Wednesday, September 17th

3:00 p.m. — 4:30 p.m.

Baltimore City Health Department, Maxie Collier Conference Room
1001 E. Fayette Street, Baltimore, MD 21202

“Baltimore’s Forecast – A Lot Hotter, Somewhat Wetter, and Preparing for Both: The Baltimore and Maryland Strategies for Climate Change”

Dr. Clifford Mitchell, MD, MD, MPH and Crystal Romeo, MPA from the Maryland Department of Health and Mental Hygiene

Presentation will include information on Baltimore City climate projections as well as the impact on health expected from climate change.

Baltimore City Climate and Resilience Planning

Kristin Baja from the Baltimore City Department of Planning, Office of Sustainability

Presentation will focus on what Baltimore City has done to work with City agencies and community members to plan for the impact of climate change.
